

Art Curriculum Intent

At Asmall our Art and Design programme aims to inspire and stimulate creativity and imagination. It provides visual, tactile and sensory experiences, and a special way of understanding and responding to the world. It enables children to communicate what they see, feel and think through the use of colour, texture, form, pattern and different materials and processes. Children are exposed to the different areas of art and design including Sculpture and Collage, Drawing, Painting and Printmaking and Craft and Design.

Communication lies at the heart of the children's learning - encouraging them to discuss / critique and evaluate their ideas.
