Changes to Nursery and Out of School Care Fees

From 1st April 2025

The Management Committee have reviewed the prices of the different sessions we offer in Nursery, considering inflation, maintaining the excellent learning environment and the different opportunities we offer our children such as Spanish, Dance, Forest School Sessions, Moo Music and Swimming.

Before and After School club prices will remain the same per session. However, the cost for a full week Before and After School club is now £63.

Please see the new prices below which will be in affect from the 1st April 2025.

When paying for a full day session in nursery (7.45-5.45pm) a 10% discount has been applied to this full day price as you can see below.

Caterpillar Room

£5.50	£6.50	£8.50	£63

All fees are due on the 1st of every month. Any payments made more than seven days late will result in a £25 charge being added to their bill as per our terms and conditions.

It is important to collect your child on time. Late collection has implications for ratios and staff breaks. A charge of £5.00 per 15 mins will be added to your bill for late collection.

Thank you,
