

Dance Talent After School Course

We at Dance Talent are delighted to announce the start of an After School Club at:

Asmall Primary School

Established since 1977, Christine Clarkson Dance Studio presents DANCE TALENT, 5 sessions offering excellent value for money, fun, fitness, dance, exercise, safety, security and supervision. Our qualified Dance Teachers possess enhanced CRB clearance to work with children. For more company details go to www.dancetalent.co.uk

Girls and Boys are invited to the dance course regardless of their ability. The sessions are planned so that where possible, pupils will be working with others of their own age and ability.
